

*Call for Papers*  
**25<sup>th</sup> Eastern Canadian  
 Symposium on Water  
 Quality Research**

*October 30, 2009*

*at*

**Ottawa-Carleton Institute for  
 Environmental Engineering**  
 Ottawa, Ontario

**Themes**

- Sludge Management
- Groundwater and Soil Contamination
- Wastewater Treatment
- Watershed Management
- Treatment of Persistent Chemicals
- Water Treatment
- Decentralized Wastewater Treatment
- Innovative Technologies
- Agricultural Water/Waste Management
- Ecological Impacts

**Sponsors**

**Canadian Association on Water Quality**  
**University of Ottawa**  
**Carleton University**

uOttawa  
 L'Université canadienne  
 Canada's university

**Carleton**  
 UNIVERSITY

**OBJECTIVES OF THE SYMPOSIUM**

Overall objectives of the Symposium are to stimulate discussion on recent Canadian research projects and to facilitate information exchange between universities, consultants, industries, and governments.

Oral or poster presentations are solicited on the themes listed above.

We also encourage you to submit abstracts on themes not mentioned above. If you would like to organize a special session, please contact R. Droste at the address given below. We also welcome papers on commercial applications of recent research developments.

We encourage student involvement in the symposium. The **Philip H Jones award** for the best student oral presentation will be given at the end of the Symposium.

**SUBMISSION OF ABSTRACTS**

Authors are requested to submit a detailed and informative abstract. The submission deadline is **September 10, 2009.**

See "[Instructions for Abstract Preparation](#)" below.

The presenting author will be notified regarding abstract acceptance by September 30, 2009.

**REGISTRATION**

**CONFERENCE REGISTRATION FEE**

CAWQ Members	\$85
Non-Members	\$120
CAWQ Student Members and retired	\$40
Student Non-Members	\$85

The fee includes attendance at the symposium, book of abstracts, poster session, lunch, and reception.

**OPTIONAL ANNUAL CAWQ MEMBERSHIP**

Regular membership (on-line journal)	\$125
--------------------------------------	-------

For \$210 total for individual non-members or \$85 total for student non-members, non-members will become members of CAWQ for year 2010 at this year's rate. This includes a one year's subscription to the *Water Quality Research Journal of Canada*.

## ACCOMMODATIONS

A block of rooms has been reserved for the night of October 29, 2009 at the Embassy West Hotel, 1400 Carling Ave., Ottawa. The cost, before taxes, is \$85/night for single or \$ double rooms, non-smoking unless otherwise specified when booking. Participants must make their own reservation (confirmation no. 71777) before Sept. 29, 2009, at which time the block will be released. Reservations after this date will be at the same rate subject to availability. Tel.: (613) 729-4331; Fax: (613) 729-1600. Other hotels in the area are also available.

## CONTACT INFORMATION

To obtain an Abstract/information proposal form or a Registration form, visit the CAWQ web site at [www.cawq.ca](http://www.cawq.ca), or contact:

R.L. Droste  
Department of Civil Engineering  
University of Ottawa  
161 Louis Pasteur St.  
Ottawa, ON  
K1N 6N5

Tel.: (613) 562-5800 ext. 6139  
Fax: (613) 562-5173  
e-mail: [rldroste@uottawa.ca](mailto:rldroste@uottawa.ca)

## INSTRUCTIONS FOR ABSTRACT PREPARATION

Each submitted abstract must include the following information:

- title in bold print
- names(s) of authors(s) with the name of the presenting author underlined
- affiliation(s) of the author(s)
- an indication of whether the presenter will be competing for the P.H. Jones student award (Note: poster presentations are not eligible for the competition)

The presentation/poster should deal with new concepts, new applications of established concepts, or new evidence of environmental degradation or rehabilitation. It may describe substantial improvements of existing theories and approaches or progress in our abilities to deal with environmental problems. The abstract must establish that the project is well developed, that general theory or experimental procedure has been established, and that some data have been collected and subjected to analysis.

Problem statement, objectives, methodology, results, conclusions, and recommendations should be presented. **Abstracts should be limited to 500 words.** The font should be Arial, 11 point, and the text single-spaced.

Submit your abstract in a Word compatible format by e-mail to R. Droste ([rldroste@uottawa.ca](mailto:rldroste@uottawa.ca)).

An Attendance/Abstract Proposal Form is enclosed for your use.

## PHILIP H. JONES STUDENT AWARD

The CAWQ sponsors a competition for the "best presentation" made by a student on their research. This award was created as a memorial to the late Philip H. Jones who was a founding and long-standing member of CAWQ. This award includes:

- a cash prize of \$200 at the closing ceremony of the symposium
- a one-year membership in CAWQ, including a subscription to the *Water Quality Research Journal of Canada*
- the publication of the name of the student in an issue of the journal and on the CAWQ website
- a certificate acknowledging his/her performance; and a formal invitation from the president of the CAWQ to submit his/her work for peer review and eventual publication in the *Water Quality Research Journal of Canada*

**MANUSCRIPTS FOR SUBMISSION TO**  
***THE WATER QUALITY RESEARCH JOURNAL OF CANADA***

Presenters are invited to submit their paper for publication in the *Water Quality Research Journal of Canada*, a quarterly publication sponsored by the Canadian Association on Water Quality and the National Water Research Institute (Burlington, Ontario).

Please consult the **Instructions for Authors** available on the Web site of the *Water Quality Research Journal of Canada* at the following address: [www.cciw.ca/wqrjc](http://www.cciw.ca/wqrjc). All submitted papers to the *Water Quality Research Journal of Canada* undergo two peer reviews prior to acceptance for publication. Papers presented at the Symposium on commercial applications are not eligible for publication in the *Water Quality Research Journal of Canada*
